2. Place one 2-1/2" color square on each corner of the 7-1/4" background square, right sides together and edge to edge. Stitch along the diagonal lines. Trim 1/4" above the stitched lines and press seam to the color side.

B Unit - Hourglass Blocks: Make four (Pictures 5,6)

Note: Please write your name on a back side seam of each block you submit in order to be entered into the drawing to be held at our guild meeting on September 1. Bring your blocks to Rena or Kay at our meetings, or to Village Sewing Center, or mail them to us, or contact us to arrange for pickup. Since all of our BOMs this year feature half-square triangles and flying geese, we think you'll be a pro and find this block goes together quite easily!
